

## CURRICULUM VITAE

**Merlin Bardett Fausett, M.D.**

### 1. PERSONAL DATA

*Address:* 3405 Ravenwood Lane  
Missoula, MT 59803

*Current Assignment:* Community Medical Center, Missoula, MT  
Maternal-Fetal Medicine Physician  
Chairman, Dept. of Maternal/Child Services  
Chairman, Perinatal Executive Committee

Family Birth Center, Missoula, MT  
Medical Director

Boeson Research, Missoula, MT  
Medical Director  
Principal Investigator

*Military:* Colonel, U.S. Air Force (Retired)

### 2. EDUCATION

*Fellowship:* University of Utah Health Sciences Center  
Salt Lake City, UT. 7/97-6/00  
Maternal-Fetal Medicine.  
Mentors: D. Ware Branch, M.D.  
Ken Ward, M.D.  
Robert Silver, M.D.  
James E. Metherall, Ph.D.  
Steven L. Clark, M.D.

*Residency:* Wilford Hall Medical Center  
San Antonio, TX. 7/93-6/97  
Obstetrics and Gynecology  
Administrative Chief Resident  
Mentors: Gary D.V. Hankins, M.D.  
Andrew Satin, M.D.

*Medical School:* Uniformed Services University of the Health Sciences  
Bethesda, MD. 1989-1993.

  
Merlin Bardett Fausett (Mar 25, 2020)

**Mar 25, 2020**

Valedictorian, Class of 1993.

*Undergraduate:* Brigham Young University  
Provo, UT, 1986-89.  
Degree; B.S. Major: Zoology Research: Mammalian Ecology

### **3. BOARD CERTIFICATION**

- Board Certified in Obstetrics and Gynecology
- Board Certified in Maternal-Fetal Medicine

### **4. MEDICAL LICENSURE**

- State of Montana

### **5. MILITARY MEDICAL EXCELLENCE DESIGNATION**

- ME – Obstetrics and Gynecology (Clinical/Academic Grand Master)
- ME – Maternal-Fetal Medicine (Clinical/Academic Grand Master)

### **6. CLINICAL LEADERSHIP**

- Chairman, Perinatal Executive Committee and Department of Women's and Children's Services, Community Medical Center, Missoula, MT. 5/2014-present.
- Consultant to the Surgeon General for Obstetrics and Maternal-Fetal Medicine, 7/2005-6/2014. Air Force subject matter expert on DoD Obstetrics related committees. Responsible for development of safety, quality and policy and standards of practice for obstetrics throughout the Air Force Medical Service. Work with OB/MFM consultants from the Army and Navy to develop DoD wide obstetric policy, patient safety, quality improvement and standardization to reduce variability and improve outcomes. An obstetric reason is #1 reason for admission to a DoD hospital. Approx. 100K deliveries/year.
- Chief, Women's Health Services, Wilford Hall Ambulatory Surgery Center, 9/2012-6/2014.
- Chairman, Dept OB/GYN, Wilford Hall Medical Center, 10/2010 – 9/2011. WHMC became Wilford Hall Ambulatory Surgical Center--28 Provider Staff, all subspecialties, 6 Residents/Year.
- Vice-Chair Department of OB/GYN, Wilford Hall Medical Center, 7/2006-10/2010.
- Chief, Obstetrics and Maternal-Fetal Medicine. Wilford Hall Medical Center and SAMMC, 7/2006-7/2012.
- Chief, Obstetrics and Maternal-Fetal Medicine. Landstuhl Regional Medical Center, Landstuhl, Germany. 7/2002-6/2006.
- Chair, Dept of OB/GYN and Maternal-Fetal Medicine Specialist, Landstuhl Regional Medical Center, Landstuhl, Germany. 4/2003-7/2004.
- Chief, Obstetrics and Maternal-Fetal Medicine. Keesler Medical Center, Keesler AFB, MS. 7/2000-7/2002.

## **7. MILITARY LEADERSHIP TRAINING**

- Air War College – Graduation 8/2010.

## **8. NOTABLE MILITARY DECORATIONS**

- Legion of Merit, Meritorious Service Medal, Army Achievement Medal, AF Outstanding Unit Award with 8 oak leaf clusters, Army Superior Unit Award, National Defense Service Medal with 1 service star, Global War on Terrorism Service Medal.

## **9. CONSULTING EXPERIENCE**

- Chief Medical Informatics Consultant, Clinicomp, International. La Jolla, CA, 1/2015-11/2016.
- Medical Advisory Board, Sera Prognostics.

## **10. SERVICE/LEADERSHIP**

- Course Director, Reach Out and Learn. Peru. 4/2019.
- Faculty, Reach Out and Learn. Peru. 4/2018.
- Founder and Chairman of the Board, Rocky Mountain Perinatal Institute. 10/2018-present.
- Board Member, Monida. Integrated Clinical Network. 12/2018-present.
- Board Member, Montana Perinatal Association. 11/2017-present.
- Assistant District Commissioner, Boy Scouts of America. 9/2017-2/2019.

## **11. OTHER PROFESSIONAL TRAINING/WORK EXPERIENCE**

- Good Clinical Practice Certification, NIDA NIH. 03/2019
- Montana Perinatal Association Annual Conference. Speaker, Chico Hot-Springs, MT. 4/2016.
- Chair Perinatal Content Advisory Group, Essentris OB EHR
- Conference Chair, Speaker. International Multi-D Conference. Reducing Perinatal Morbidity and Mortality. 79 Participants. San Antonio, TX. 9/2013.
- Conference Chair, Speaker. AFMS International Conference on Patient Safety & Critical Care in Obstetrics. 68 Participants. San Antonio, TX. 03/2011.
- Wilford Hall, IRB Member 6/2012-6/2014
- Instructor. Neonatal Resuscitation Program (NRP). 10/2007 – present.
- Trainer. Team Strategies & Tools to Enhance Performance & Patient Safety TeamSTEPPS. 8/2008 – present.
- LEAN for Healthcare 9/2010.
- Founder/President OB Technologies. 11/2006-present.
- Reproductive Epidemiology and Clinical Trials Design Program. Sponsored by a grant from The Berlex Foundation. Snowbird, UT. 8/1999.
- Research Assistant/Medical Student. Mentor: Jack E. McKenzie, Ph.D. Subject: Coronary Artery Disease. Uniformed Services University of the Health Sciences, Bethesda, M.D. 1990.
- Research Assistant. Mentor: Professor Hal Black Ph.D. Subject: Mammalian Ecology. Brigham Young University, Provo, UT. 1987-1989.

- University Lab Instructor. Human Anatomy and Physiology. Brigham Young University, Provo, UT. 1988-1989.

## 12. CLINICAL RESEARCH

- Principal Investigator. Sanofi Pasteur Pneumococcal Vaccine (Site 1 of 2). A phase 2 randomized, observer-blind, controlled, age de-escalation study in approximately 140 toddlers and 700 infants in the US and Canada studying the safety and immunogenicity of a Pneumococcal Conjugate Vaccine when administered concomitantly with routine pediatric vaccines in healthy toddlers and infants. Missoula. 2020 – Present.
- Principal Investigator. Sanofi Pasteur Pneumococcal Vaccine (Site 2 of 2). A phase 2 randomized, observer-blind, controlled, age de-escalation study in approximately 140 toddlers and 700 infants in the US and Canada studying the safety and immunogenicity of a Pneumococcal Conjugate Vaccine when administered concomitantly with routine pediatric vaccines in healthy toddlers and infants. Kalispell. 2020 - Present.
- Principal Investigator. Pfizer Pneumococcal Vaccine. A Phase 3, randomized, double-blind, trial to evaluate the safety and immunogenicity of a 20-valent Pneumococcal Conjugate Vaccine in healthy infants. 2020 – Present.
- Principal Investigator. Pfizer MATISSE Maternal RSV Vaccine. A Phase 3, randomized, double-blind, placebo-controlled trial to evaluate the efficacy and safety of a respiratory syncytial virus (RSV) Prefusion F Subunit Vaccine in infants born to women vaccinated during pregnancy. 2020 - Present.
- Principal Investigator. Pfizer Savvy Maternal RSV Immunization. A Phase 2b trial to evaluate the safety, tolerability, and immunogenicity of a respiratory syncytial virus (RSV) vaccine in pregnant women 18 through 49 years of age and their infants. 2019 – present.
- Sub-Investigator. Toray EarlyGuard Breast Test. A medical innovation analyzing a miRNAI blood test against more invasive biopsy results for correlation. 2019 - present.
- Principal Investigator. PushCoach. A medical device measuring fetal head orientation, position and velocity during childbirth and providing feedback to mother and doctor. 2012 – present.
- Sub-Investigator. GlaxoSmithKline Adult RSV Surveillance. A prospective, multi-country, multicentre cohort study to assess the disease burden of RSV associated ARI in community dwelling (CD) and long-term care facilities (LTCF) adults  $\geq$  50 years of age during two consecutive RSV seasons in the US and Europe. 2019
- March of Dimes—\$10,000/year. Centering Pregnancy and Preterm Birth Prevention. 2007-2012.
- AF/SG Grant – \$179,000, Study Centering Pregnancy versus Routine Prenatal care for Preterm Birth Prevention.
- AF Modernization Grant – 2010 \$40,000. Hemavert; Can it decrease cesarean risk and prevent hemorrhoids in parturients?
- AF Modernization Grant – 2010 \$150,000; 2011 \$38,000; 2012 \$38,000. Obstetric Patient Safety - analysis/implementation.
- AF Modernization Grant – \$250,000/year. AFMS Perinatal outcomes improvement. 2010-2013.
- AF Modernization Grant – \$145,000/year. AFMS Perinatal EMR Project. 2011-2013.

## 13. AWARDS AND HONORS

### **A. Post Fellowship**

- Montana Treasures Recipient. ABC/FOX Montana. 3/2019.
- Residency Teaching Award. Family Medicine Residency of Western Montana. 06/2015.
- Integrity Award, Family Medicine Residency of Western Montana. 06/2016.
- Hermit L. Krantz Award 2015. Armed Forces District of The American Congress of OB/GYN. For outstanding contribution to knowledge of Obstetrics and Gynecology. Norfolk, VA. 10/2015.
- Professor of the Year 2013. Armed Forces District of the American College of OB/GYN. Baltimore, MD. 10/2013.

### **B. Fellowship**

- Award for Best Poster of the Session Society of Perinatal Obstetricians. "Heparin Induced Thrombocytopenia is Rare in Pregnancy." 1998

### **C. Residency**

- USUHS award for "Outstanding Performance in Student Education and Training" 1994.
- Administrative Chief Resident, 1996-7.

### **D. Medical School**

- Valedictorian Class 1993.
- The Air Force Surgeon General's Award-Outstanding Graduating Medical Student: 1993.
- Member Alpha Omega Alpha: elected April 1992.
- The Emma L. Bochman Award: for original research in the area of coronary vasospasm. 1993.
- USUHS Achievement Medal: for outstanding service to the school.
- The Dean's Award for Academic Excellence, 1991-1992 and 1989-1990.
- Appleton-Lange Outstanding Medical Student award.
- USUHS Medical Student Research Grant to study coronary vasospasm.

### **E. Undergraduate**

- Brigham Young University: Julia Greenwell Scholarship
- BYU Academic Scholarship
- Ricks College: Academic/Wrestling Scholarships

### **F. Other**

- Eagle Scout
- State Wrestling Champion
- Fluent in Conversational and Medical Spanish

#### 14. COMMITTEES/EDITORIAL DUTIES

1. Chair, Dept of Maternal/Child Services, Community Medical Center, Missoula, Montana, 2/2016-present.
2. Chair, Perinatal Executive Committee, Community Medical Center, Missoula, Montana. 02/2015-present.
3. Chair, Dept OB/GYN, Wilford Hall Ambulatory Surgical Center. 2/2015 – 1/2016.
4. Chair, Fetal Infant Child Maternal Mortality Review Committee. Missoula County, Montana. 5/2013-present.
5. Member, Montana Perinatal Society, Research/Outcomes Committee. 4/2016 – present.
6. Elected Member, Community Physicians Group, Executive Committee. 10/2014 – present.
7. Perinatal Optimization Committee--Air Force Medical Operations Agency (AFMOA). Chairman. Commissioned by AF Surgeon General to Standardize Obstetric Practice to reduce variability and create reliability. 3/2013-6/2014. Oversee obstetric practice at 15 Military Treatment Facilities (hospitals).
8. Partnership for Patients—Air Force Clinical Champion—Perinatal. DoD partnership with Dept Health and Human Services and 1500 other institutions. Goal: reduce specific adverse outcomes by 40% in 2013.
9. Maternal Safety Consensus Panel. 5/2013- 6/2014. Jointly sponsored meeting/panel. ACOG Maternal Mortality and Morbidity/Patient Safety group, Society for Maternal-Fetal Medicine and the US Maternal and Child Health Bureau (MCHB). DoD representative.
10. VA/DOD Management of Pregnancy Clinical Practice Guideline Committee. Committee Chairman – 4/2007- 6/2014. Committee develops and publishes evidence-based standards of obstetric practice for the DoD and VA. Published VA/DoD Pregnancy Guideline.
11. Tricare Management Authority (TMA), DoD Perinatal Advisory Group. Air Force perinatal SME. DoD/TMA integrated policy on obstetric and neonatal practice. 3/2010-6/2014.
12. Tri-service Clinical Informatics Committee—Essentris Optimization. 6/2011- 6/2014. Perinatal Domain Content Advisory Group (CAG) Lead. Reporting CAG - Lead. Enterprise CAG- Member. Oversees and participates in development and publication efforts for electronic medical records for DoD.
13. Air Force Medical Service – Obstetrics Quality Forum. Founder/Chairman. 7/2009 to 6/2014. Committee consists of medical directors and nurse leaders from all OB/GYN clinic and Labor and Delivery units in the AFMS. Committee develops standard operating procedures, emergency protocols, checklists, medical simulation and AFMS obstetric patient safety and quality practices. See associated AJOG publication.
14. Institutional Review Board. 59<sup>th</sup> Medical Wing, Lackland, AFB. Committee member. 5/2012-Present.
15. DoD Health Affairs. Sexual Assault Integrated Policy Committee. AF Designee 7/2009-2011. Developed policy and practice for DoD garrison and deployed management of sexual assault. Developed guidelines and training materials. Reported to Asst Sec of Defense for Health Affairs.
16. USAF Subject Matter Expert for TriService AHLTA informatics committee 2006 - 6/2014. Developed outpatient electronic medical records for DoD. Currently this database is the largest database in the world and contains electronic medical records of all DoD medical beneficiaries.
17. DOD committee on practice patterns in uncomplicated pregnancy. 10/2000 - 6/2014. Primary TriService clinical consultant/Program Editor, Your Pregnancy and You, A guide to prenatal care, Editor-in-Chief.

#### 15. PROFESSIONAL SOCIETIES

1. Alpha Omega Alpha Medical Honor Society. Selected 1991, Junior Year of Medical School.

2. American College of Obstetrics and Gynecology. 1993-present.
3. Society for Maternal-Fetal Medicine. Fellow. 1998-present.
4. Association of Military Surgeons of the United States. Life Member. Elected 1993.
5. Society of Air Force Clinical Surgeons. Member. 1993-present.

## 16. SELECTED PUBLICATIONS

### A. *Poster Presentations at National Meetings*

1. **Fausett MB**, Barrilleaux PS, Buford J. *Maternal Auditory and Visual Feedback of Precisely Measured Fetal Decent Improves Pushing in Women with Regional Anesthesia*. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. San Diego, CA 2/2015.
2. **Fausett MB**, Teneyuque N, Shields AD, Staat BS, and Crosiar J. *Factors Associated with Pregnant Women's Perception of Aneuploidy Risk*. Presented at the Annual Clinical Meeting of the American College of Obstetrics and Gynecology. Chicago, IL, 5/2014.
3. **Fausett MB**, Teneyuque N, Shields AD, Staat BS, and Gill BD. *Women's Preferences for Isolated Minor Marker Notification after Fetal Anatomic Ultrasound*. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. New Orleans, LA, 2/2014.
4. Feathers AT, Leath CA, **Fausett MB**. *Rate of Hypertensive Disorders of Pregnancy in Active Duty Military Women Following Military Deployment*. Armed Forces District of ACOG, October 2010. San Antonio, TX.
5. McLeod BS, **Fausett MB**, Shields AD, Staat BC. *Advances in Comprehensive Care of Fetal Teratomas: A Case Series and Review*. Armed Forces District of ACOG, October 2010. Honolulu, HI.
6. Graves SW, Esplin MS, **Fausett MB**, Faux DS, Liang H. Term labor is associated with a decrease in sodium potassium ATPase in the human myometrium: a potential mechanism for the switch from uterine contractures to contractions. Presented at the Annual Clinical Meeting of the Society for Maternal-Fetal Medicine, New Orleans, LA, 2002.
7. Graves SW, Esplin MS, **Fausett MB**, Faux DS, Liang H. Labor is associated with a reduction in sodium pump alpha3 isoform in the human placenta. Presented at the Annual Clinical Meeting of the Society for Maternal-Fetal Medicine, New Orleans, LA, 2002.
8. Hastings S, **Fausett MB**, Knowlton J, Nelson L, and Ward K. The presence of the Factor V Leiden Mutation does not alter the severity of hypertensive disease in pregnancy or change its incidence regarding maternal parity. Presented at the annual meeting of the Society for Gyn Investigation, 3/2000, Chicago, Ill.
9. **Fausett MB**, Stalburg C, Esplin MS, Clark SL, and Porter TF. When uterine rupture occurs, it often happens at sites other than the previous uterine scar. Presented at the annual meeting of the Society for Gynecologic Investigation, 3/2000, Chicago, Ill.
10. **Fausett MB**, Esplin MS, Knowlton J, Varner, MW, and Ward, K. The T235 allele of the angiotensinogen is not associated with the hypertension found in men who are products of preeclamptic pregnancies. Presented at the annual meeting of the Society for Gynecologic Investigation, 3/2000, Chicago, Ill.

11. **Fausett MB**, Esplin MS, Branch DW, Ward KM, and Varner M. Men born of pregnancies complicated by preeclampsia are predisposed to chronic hypertension and other chronic diseases later in life. Presented at the annual meeting of the Society for Gynecologic Investigation, 3/2000, Chicago, Ill.
12. **Fausett MB**, Esplin MS, Oshiro BT, Yoder B, and Higby K. Indomethacin therapy for preterm labor prolongs gestation & is not associated with increased neonatal complications in infants delivered prior to 32 wks. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Miami Beach, FL, 2/2000.
13. **Fausett MB**, Esplin MS, Sitarz B, Smith S, Oshiro B, Porter TF and Varner MW. Chorioamnionitis does not affect long-term cognitive or psychomotor development in very low birth weight infants. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Miami Beach, FL, 2/2000.
14. **Fausett MB**, Oshiro BT, Esplin MS, Yoder B, Gordon MC, and Higby K. Antenatal steroid therapy in women who later develop intra-amniotic infection (IAI) is not associated with an increased risk of infection in preterm neonates. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Miami Beach, FL, 2/2000.
15. **Fausett MB**, Daneau P, Ward K and Metherall JE. Cord blood plasma effects cellular cholesterol metabolism differently than maternal plasma in both normal and preeclamptic pregnancies. Presented at the annual meeting of the Society of Gynecologic Investigation, Atlanta, GA, 2/1999.
16. **Fausett MB**, Esplin MS, Nelson L, Metherall JE, and Ward K. FABP2 is not associated with Preeclampsia. Presented at the annual meeting of the Society for Maternal-Fetal Medicine, San Francisco, CA, 1/1999.
17. Lee RM, Brown MA, Branch DW, Ward K, Hastings S, **Fausett MB**, Hernetty P, and Silver RM. Anti- $\beta$ 2-Glycoprotein-I Antibodies in Preeclampsia. Presented at the annual meeting of the Society for Maternal-Fetal Medicine, San Francisco, CA, 1/1999.
18. **Fausett MB**, Grover JG, Metherall JE, and Ward KM. Lipid Profiles in Patients with HELLP Syndrome. Abstract presented at the annual meeting of the Society of Gynecologic Investigation, 2/1998.
19. **Fausett MB**, Mykytyn K and Metherall JE. Water-Soluble Cholesterol to Treat Smith-Lemli-Opitz Disease: An Animal Model. Poster presented at the annual meeting of the Society of Gynecologic Investigation, 2/1998.
20. Esplin MS, **Fausett MB**, Hunter C, Shields D, Porter TF, and Varner M. Idiopathic Polyhydramnios is Associated with Increased Neonatal Morbidity. Poster presented at the annual meeting of the Society of Perinatal Obstetricians, 1/1998.
21. **Fausett MB**, Branch DW, Lee R, and Silver RM. Heparin Induced Thrombocytopenia is Rare in Pregnancy. Poster presented at the annual meeting of the Society of Perinatal Obstetricians, 1/1998. Award Best Poster of the Session.

**B. Oral Research Presentations at National/International Meetings**

1. **Fausett MB**, Staat BC, Crosiar JD, and Deering S. SAFE PASSAGES implementation reduces perineal trauma. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Las Vegas, NV 1/2017.
2. **Fausett MB**, Barrilleaux PS and Buford J. Optimizing Second Stage Outcomes: A Randomized Controlled

- Trial Assessing the Ability of Precise Maternal Feedback to Reduce Adverse Perinatal Outcome. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. San Diego, CA 2/2015.
3. **Fausett MB**, Gill BD, Esplin MS, Shields AD, and Staat BC. Centering Pregnancy is associated with fewer early, but not overall, Preterm Deliveries. A Randomized Clinical Trial. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. New Orleans, LA, 2/2014.
  4. Royster GD, Orr JM, Hill DL, Shields AD, **Fausett MB**, and Staat BC. Video Presentation of Ex Utero Intrapartum Treatment (EXIT) Procedure at a Military Treatment Facility (Wilford Hall Medical Center, Lackland Air Force Base, Texas) for a Large 7.4 Centimeter Anterior Neck Mass. *Oral presentation at District X (Armed Forces District) Meeting*, Honolulu; 2009.
  5. Keyser EA, Shields AD, Staat BC, **Fausett MB**. Pregnancy Associated Breast Cancer: A Review and 10-year Experience at a Military Treatment Facility. *Oral presentation at District X (Armed Forces District) Meeting*, San Antonio; 2010.
  6. *Routine repeat antibody screen is not cost effective*. Armed Forces District of the Society of OB/GYN. 10/2004, San Diego, CA.
  7. *Comprehensive group counseling for antenatal testing provides many benefits*. Armed Forces District of the Society of OB/GYN. 10/2004, San Diego, CA.
  8. *Complications of pregnancy and later disease*. Annual clinical meeting of the Society of Air Force Clinical Surgeons. San Antonio, TX. 4/2001.
  9. *Preeclampsia is an important predictor of adult disease in the offspring of affected women*. First World Congress on the Fetal Environment and Adult Disease. Mumbai (Bombay), India, 2/2001.
  10. *Trauma in pregnancy*. Annual Review Course in Maternal-Fetal Medicine, Park City, UT, 3/2000.
  11. *Management of Placenta Accreta*, Armed Forces Clinical Surgeons Meeting, Biloxi, MS, 5/2000.
  12. Multiple courses of antenatal corticosteroids are associated with a delay in long-term psychomotor development in children with very low birth weight. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Miami Beach, FL, 2/2000.
  13. *Cyclodextrins and water-soluble cholesterol treatment for Smith-Lemli-Opitz disease*. 6/1999. Second International Conference on Smith-Lemli-Opitz Disease, Salt Lake City, UT.
  14. *A useful correlation between amniotic fluid index and amniotic volume reduction in twin-twin transfusion syndrome*. Presented at the annual meeting of the Society of Gynecologic Investigation, Atlanta, GA, 2/1999.
  15. *A Novel Treatment Strategy for Smith-Lemli-Opitz Syndrome*. International Fetal Medicine and Surgery Society. April 1998. Heron Island, Australia.
  16. *Oxytocin Labor Stimulation of Twin Gestations*. Presented at 1996 ACOG Armed Forces District Meeting.
  17. *The Significance of Psammoma Bodies on Endometrial Biopsy*. Presented at 1996 ACOG Armed Forces District Meeting.
  18. *Case Report. Metastatic Squamous Cell Carcinoma from Uterine cervix to Bilateral Kidneys*. Presented at 1996 ACOG Armed Forces District Meeting.
  19. *Findings associated with Psammoma Bodies found on Endometrial Biopsy*. Presented at April 1997 Air Force Clinical Surgeons Meeting.

### C. Abstracts

1. **Fausett MB**, Staat BC, Crosiar JD, and Deering S. SAFE PASSAGES implementation reduces perineal trauma. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Las Vegas, NV 1/2017.
2. **Fausett MB**, Barrilleaux PS and Buford J. Optimizing Second Stage Outcomes: A Randomized Controlled Trial Assessing the Ability of Precise Maternal Feedback to Reduce Adverse Perinatal Outcome. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. San Diego, CA 2/2015.
3. **Fausett MB**, Gill BD, Esplin MS, Shields AD, and Staat BC. Centering Pregnancy is associated with fewer early, but not overall, Preterm Deliveries. A Randomized Clinical Trial. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. New Orleans, LA, 2/2014.
4. Nicholson L, Shields AD, Staat BC, **Fausett MB**, Gonzalez-Brown V. Intrapartum Evaluation and Management of a Near-Term Case of Fetal Stroke. *Poster session at District X (Armed Forces District) Meeting*, Honolulu; 2009.
5. Shaltz AT, Reed BG, Leath CT, **Fausett MB**. *Pregnancy Outcomes in Active Duty Women following Military Deployment*. Annual Clinical Meeting of the American College of Obstetrics and Gynecology. San Francisco. 5/2010.
6. Keyser E, Staat BC, Gonzales-Brown, V, **Fausett MB**. *One Patient with Two Zebras: Acute Fatty Liver and Peripartum cardiomyopathy*. Annual Clinical Meeting of the American College of Obstetrics and Gynecology. San Francisco. 5/2010.
7. Keyser EA, Shields AD, Staat BC, **Fausett MB**. *Pregnancy Associated Breast Cancer: A Review and 10-year Experience at a Military Treatment Facility*. Armed Forces District of ACOG, 10/2010. San Antonio, TX.
8. Paulantonio K, Leath CA, **Fausett MB**. Armed Forces District of ACOG, October 2010. San Antonio, TX. *Pregnancy after endometrial ablation and hysteroscopic sterilization*. Armed Forces District of ACOG, 10/2010. San Antonio, TX.
9. Feathers AT, Leath CA, **Fausett MB**. *Rate of Hypertensive Disorders of Pregnancy in Active Duty Military Women Following Military Deployment*. Armed Forces District of ACOG, 10/2010. San Antonio, TX.
10. McLeod BS, **Fausett MB**, Shields AD, Staat BC. *Advances in Comprehensive Care of Fetal Teratomas: A Case Series and Review*. Armed Forces District of ACOG, 10/2010. Honolulu, HI.
11. **MB Fausett**, LM Foglia, MS Esplin and RB Jackson. *Routine repeat antibody screen is not cost effective*. Armed Forces District of the Society of OB/GYN. 10/2004, San Diego, CA. Landstuhl Regional Medical Center, Landstuhl, Germany and University of Utah Health Sciences Center, SLC, UT.
12. **MB Fausett**, S Kuch, LM Foglia, and RB Jackson *Comprehensive group counseling for antenatal testing provides many benefits*. Armed Forces District of the Society of OB/GYN. 10/2004, San Diego, CA.
13. **MB Fausett**. *Complications of pregnancy and later disease*. Annual clinical meeting of the Society of Air Force Clinical Surgeons. San Antonio, TX. 4/2001.
14. Graves SW, Esplin MS, **Fausett MB**, Faux DS, Liang H. Term labor is associated with a decrease in sodium potassium ATPase in the human myometrium: a potential mechanism for the switch from uterine contractures to contractions. Presented at the Annual Clinical Meeting of the Society for Maternal-Fetal Medicine, New Orleans, LA, 2002.

15. Graves SW, Esplin MS, **Fausett MB**, Faux DS, Liang H. Labor is associated with a reduction in sodium pump alpha3 isoform in the human placenta. Presented at the Annual Clinical Meeting of the Society for Maternal-Fetal Medicine, New Orleans, LA, 2002.
16. **Fausett MB**, Esplin MS, Branch DW, Ward KM, and Varner M. Men born of pregnancies complicated by preeclampsia are predisposed to chronic hypertension and other chronic diseases later in life. Presented at the annual meeting of the Society for Gynecologic Investigation, 3/2000, Chicago, Ill.
17. **Fausett MB**, Esplin MS, Branch DW, Ward KM, and Varner MW. Men born of pregnancies complicated by preeclampsia are predisposed to chronic hypertension and other chronic diseases later in life. Submitted to the annual meeting of the Society for Gynecologic Investigation, 3/1999, Chicago, Ill.
18. Hastings S, **Fausett MB**, Knowlton J, Nelson L, and Ward K. The presence of the Factor V Leiden Mutation does not alter the severity of hypertensive disease in pregnancy or change its incidence regarding maternal parity. Submitted to the annual meeting of the Society for Gynecologic Investigation, 3/1999, Chicago, Ill.
19. **Fausett MB**, Stalburg C, Esplin MS, Clark SL, and Porter TF. When uterine rupture occurs, it often happens at sites other than the previous uterine scar. Submitted to the annual meeting of the Society for Gynecologic Investigation, 3/1999, Chicago, Ill.
20. Esplin MS, **Fausett MB**, Smith S, Oshiro B, Porter TF, Branch DW and Varner MW. Multiple courses of antenatal corticosteroids are associated with a delay in long-term psychomotor development in children with very low birth weight. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Miami Beach, FL, 2/2000.
21. **Fausett MB**, Esplin MS, Sitarz B, Smith S, Oshiro B, Porter TF and Varner MW. Chorioamnionitis does not affect long-term cognitive or psychomotor development in very low birth weight infants. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Miami Beach, FL, 2/2000.
22. Esplin MS, **Fausett MB**, Fraser A, Kerber R, Mineau G and Varner MW. Paternal predisposition to spontaneous preterm birth. Submitted to the annual meeting of the Society for Gynecologic Investigation, 3/1999, Chicago, Ill.
23. **Fausett MB**, Esplin MS, Oshiro BT, Yoder B, and Higby K. Indomethacin therapy for preterm labor prolongs gestation and is not associated with increased neonatal complications in infants delivered prior to 32 weeks. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Miami Beach, FL, 2/2000.
24. **Fausett MB**, Oshiro BT, Esplin MS, Yoder B, Gordon MC, and Higby K. Antenatal steroid therapy in women who later develop intra-amniotic infection (IAI) is not associated with an increased risk of infection in preterm neonates. Presented at the annual meeting of the Society for Maternal-Fetal Medicine. Miami Beach, FL, 2/2000.
